KIDSPORT

UP TO
\$200
TOWARDS CLUB
FEES FOR KIDS!

dsr.wa.gov.au/kidsport

From the Premier

Sport is not a luxury. It should be part of every child's day and is a vital part of a well-rounded and long, healthy life.

KidSport is important because active children are more likely to mature into physically-active adults. Sport and recreation is fun, but just as importantly, participation gives your child a better chance of doing well at school, improves coordination and balance, helps them sleep better, improves social and life skills and creates a greater sense of well-being.

Sport builds stronger, healthier, happier and safer communities. When kids play sport, the whole community wins. I encourage you to sign-up for KidSport and tell your friends.

Hon Colin Barnett MLA
Premier

WHAT IS KIDSPORT?

KidSport enables eligible Western Australian children aged 5–18 years to participate in community sport and recreation by offering them financial assistance towards club fees. The fees go directly from the local government to the registered KidSport clubs participating in the project.

How do I get involved?

Step 1 – Complete the voucher and submit it to **your local government** to be validated. (Remember to include a copy of your Health Care Card or Pension Concession Card or if in financial hardship have the Referral Agent details section completed by a recognised Referral Agent).

Step 2 – The **local government office** will validate the voucher and return it to you via email or hardcopy.

Step 3 – Submit the voucher to **your local club** when registering with the unique code provided in your approval — and enjoy your experience.

Step 4 – The **club** will invoice the local government for the cost of fees up to \$200 per child.

What else?
