

ARE YOU BUSH FIRE READY?

It's easy!

- Clear gutters and downpipes of leaves and blockages.

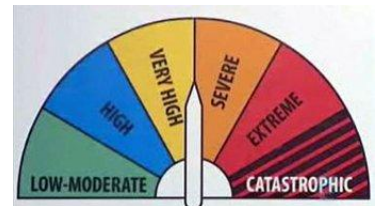

- Trim branches from around the home, clear/ install fire breaks.

- Clear rubbish / dead leaves from around the yard, patio or property.

- Keep lawns short and gardens well maintained.

- Check insurance is adequate and up to date.

- Prepare an emergency kit with a portable radio, torch with spare charged batteries.

- First aid kits refreshed and contact numbers ready.

If you need help

- For life threatening emergencies call **000**

- If your home has been badly damaged, call the SES on **132 500.**
