## Life Chronicle Submissions

### FAQ & INFORMATION SHEET

#### What is Life Chronicle?

Life Chronicle provides members of the public with an opportunity to create an online memorial to share stories of their loved one's life, leaving an everlasting memory and eternal connection to their lives and legacy.

Life Chronicle creates a level of community engagement with the cemetery as they wander the grounds journeying through local history through stories shared by others. The memories of loved ones can be shared through their physical resting place and through an online memorial which can be accessed digitally.

#### How do I submit a Life Chronicle story for my loved one?

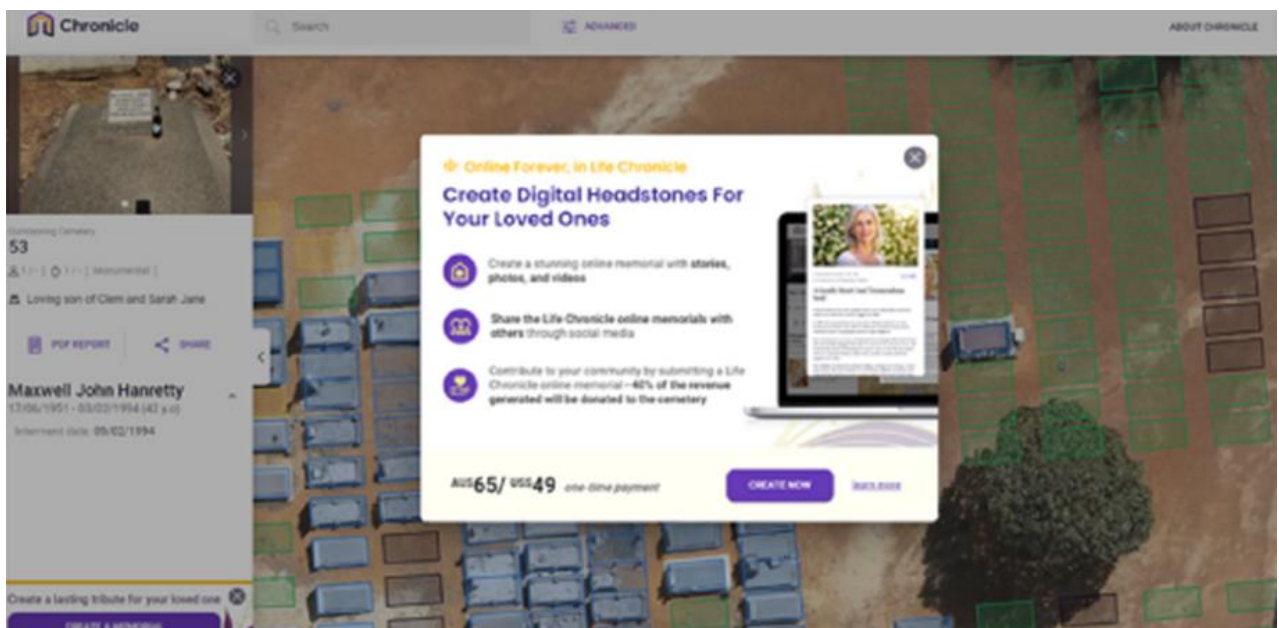

Life Chronicle submissions must be submitted by the Grant Holder of the plot, or in the case of a Grant holder being deceased, an immediate relative of the interred.

#### Is there a cost to make a Life Chronicle submission?
