

Emergency Communications

Fact Sheet

BE SAFE BE AWARE

Your safety is your responsibility – stay in touch so you can make informed decisions about what to do. Be aware of your environment and possible risks.

There are many ways to receive information regarding current emergencies and alerts. It is recommended that you do not rely on just one source. Remember, if you see smoke or flames to **ring 000**.

BUSH FIRE WARNING SYSTEM

ADVICE

 Be aware and keep up to date.

WATCH AND ACT

 Put your preparations into action, do not wait and see.

INFORMATION RESOURCE LIST

TELEPHONE

- **13 33 37** - Department of Fire and Emergency Services (DFES) Public Information Line.
- **08 9881 4988** - Harvest and Vehicle Movement Ban Information
- **Harvest and Vehicle Movement Ban SMS Alert** – you can register with the Shire of Narrogin to receive a text alert by registering online or call 08 9890 0900.
- **1800 709 355** - Total Fire Ban Information line (24/7, DFES call centre).
- **Emergency Alert** – this National system works by sending voice or text messages to phone numbers based on their service address and location. It is an automated system (no sign-up). If your phone is billed to your home address, and your home is within a DFES telephone warning area, you will receive alerts about incidents affecting that address, regardless of your location. If your phone bill is located within the DFES telephone warning area, it should receive an alert regardless of your billing address.
