

Expression of Interest (EOI) Pack

For local businesses and community organisations

About the Project

Narrogin is preparing to create its very own official MONOPOLY board, celebrating the places, businesses, and organisations that make our community unique.

This special edition game will showcase Narrogin landmarks, streets, community groups, and local businesses, creating a keepsake that reflects the character and story of our town.

Register your Interest today using the QR code below to stay up to date on how your business or group can be part of this one-of-a-kind community project.

What This Project Means for Our Town

This is More Than Just a Board Game.

It's about recognising the businesses, services, and community groups that people rely on every day, yet still may go unnoticed. It's about creating a shared excitement over the people and places that make Narrogin home. Who are the hidden gems amongst us?

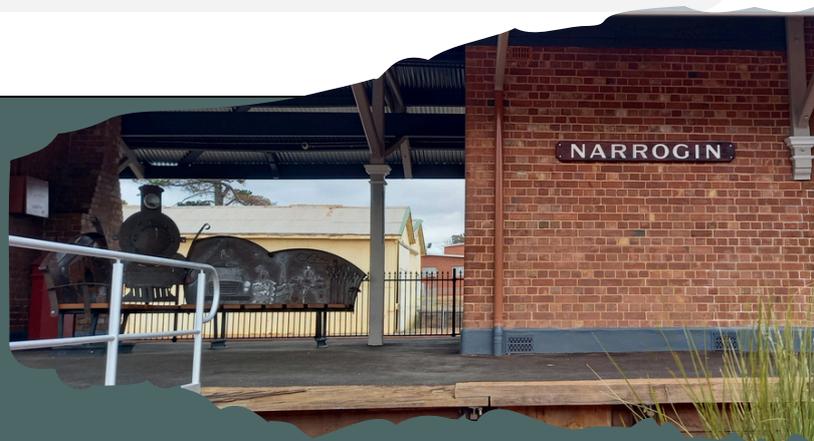

Over time, towns change. This project captures a moment in time for Narrogin in a format that is familiar, fun and lasting.

Participating is a way to visibly raise the profile of Narrogin as a whole, but also, individually share your own business as being part of the local economy and community.

For the wider community, the result is something fun, local and lasting. Our story.

By relying on genuine local participation, the project remains community-supported and grounded in what matters locally.

*Who and where
are Narrogin's
hidden gems?*

Your business. Your town. Your move.

How the Project Is Funded

A fundraising silent auction is a central part of the project.

Businesses and community groups are invited to participate by bidding for:

- Business spaces on the board
- Utility and tax squares
- Community Chest cards
- Chance cards

Funds raised through the auction contribute to the production of the game and help ensure the project proceeds with strong community support.

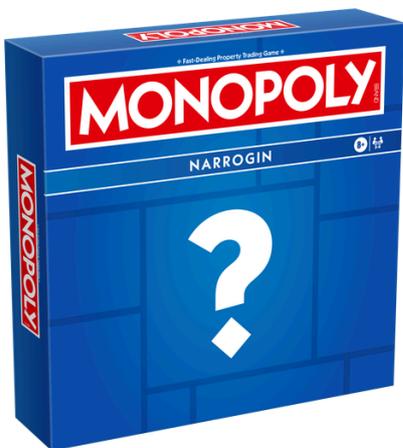

How Places on the Board Are Allocated

Places on the Narrogin MONOPOLY board are allocated through a transparent, category-based silent auction process.

Business board spaces and card sponsorships are offered via auction, with each space representing one business or community group only.

Bids are placed within defined categories, and allocation is determined by the highest-ranked bids in each category, with higher bids providing priority selection of board position and unlocking higher sponsorship tiers. Industry groupings are used to ensure balanced representation across the board. This approach ensures diversity, clarity, and local authenticity.

The Shire of Narrogin reserves the right to manage allocations and resolve any unforeseen circumstances to ensure the overall balance, integrity, and successful delivery of the project.

Your business. Your town. Your move.

How the Board Layout is Organised

The Narrogin MONOPOLY board is organised into business categories that reflect the diversity of Narrogin’s local economy. These categories determine how businesses compete in the silent auction.

The categories on the board are:

Pubs, Cafes & Accommodation
Retail
Medical/Health & Wellbeing
Automotive Services
Trade, Construction & Civil Services
Agricultural, Machinery Services
Open Category
Signature Category

The Open Category is available to all businesses, regardless of industry, and offers flexible, high-value board placements.

The Signature Category is also open to all businesses and represents the most prominent and iconic positions on the board, offering the highest visibility and recognition.

Businesses may nominate one or more categories they feel best reflect their operations when registering to participate.

In addition to standard business categories, the board also includes Utility and Tax categories, each with a limited number of available spaces.

Your business. Your town. Your move.

How the Silent Auction Works

The auction will be run through the **GalaBid** platform. Online bidding opens on 6 March 2026.

Registered participants will be able to:

- View available auction categories and items
- Place and increase bids during the auction period
- See the current highest bids in real time
- Receive notifications if they are outbid or if bidding is about to close
- Complete payment securely once the auction closes

The auction will formally close at the Silent Auction Dinner at **9:00pm on Friday, 20 March 2026**, when bidding will be locked, and bids consolidated.

Silent Auction Dinner

Date: Friday 20 March 2026
