## NEW VENTURES IN NARROGIN CBD UNIQUE GRAPHIX

There is a great deal of enthusiasm for new ventures in the Narrogin CBD.

In the old Retravisation premises is Cameron Hayes' expanding signage business. With state of the art printers, Cam can now produce not only large format prints for signs and car wraps but with his new dye sublimation printer, it means that he can produce, right here in Narrogin, all manner of custom-printed promotional products, such as cups, phone cases, bar runners etc.

The Shire's CEO, Dale Stewart, and the Narrogin Chamber's President, Bevan Steele, visited Cam to wish him every success in his new business and acknowledged his confidence in Narrogin's retail community and the wider district. Cam was presented with a Chamber welcome pack and the Shire presented local wine all wrapped up in the Shire of Narrogin 'Love the Life' calico shopping bag.

Shire President Leigh Ballard said "We are certainly getting some great shopping choices here in Narrogin and the district is really getting behind the new businesses in town. It's really important to continue to look local and buy local first to continue to attract new and expand existing businesses and to make our CBD vibrant, interesting and welcoming".
