Summary

Council is requested to consider the Narrogin Tennis Club Inc's (NTC) submission to the Department of Local Government Sport & Cultural Industries (DLGSC) Community Sporting & Recreation Facilities Fund (CSRFF) and:

1. Endorse the NTC submission to the CSRFF for the resurfacing of the six synthetic courts that run parallel to Clayton Road;
2. Give the project a priority ranking of 1;
3. Approve the rating of the project as well-planned and needed by the municipality (Category A rating in the application); and
4. Endorse the Shire's financial commitment of \$66,728.33 plus GST for the project.

Background

The CSRFF, administered by the DLGSC, aims to increase participation in sport and recreation with an emphasis on physical activity, through rational development of sustainable, good quality, well-designed and well-utilised facilities. All CSRFF annual grant applications need to be submitted to the relevant Local Government Authority for assessment and ranking before they are lodged with the DLGSC.

The CSRFF application process tasks the Local Government Authority with rating projects using the following structure:

- A. Well planned and needed by municipality
- B. Well planned and needed by applicant
- C. Needed by municipality, more planning required
- D. Needed by applicant, more planning required
- E. Idea has merit, more planning work needed
- F. Not recommended.

The NTC was established in 1909 and the courts comprise ten synthetic grass surfaces. Six of the surfaces laid approximately 20 years ago have worn to a level where they are challenging to play on (raised lines) and unsafe (high sand content and slippery underfoot). The other four are in good condition and were replaced approximately eight years ago. The Shire owns the tennis club premises and it is currently leased to the NTC.

The NTC proposes to resurface the six synthetic courts that run parallel to Clayton Road.

Consultation

Consultation has occurred with the following:

- Chief Executive Officer
- Executive Manager Development and Regulatory Services
- Manager, Wheatbelt DLGSC – Jenifer Collins
- Tennis West – Greg Wood
- Narrogin Tennis Club – Dale Woodruff.

Statutory Environment

The lease of the NTC premises commenced on 1 September 2020 and expires on 31 August 2030, with a further 10 year option.

Council has the ability to commit future Council's budgets via decision of the Local Government without requirement for an absolute majority, pursuant to section 6.8 of the Local Government Act 1995, as it is only the commitment, not the expending funds. The expenditure requirement, is however, required to be included in the relevant budget to be adopted.

Policy Implications

Whilst there are no current policies of the Council that relate, it has been general practice for Local Governments and indeed the Shire of Narrogin, to contribute the traditional one-third Local Government cash or in-kind contribution to the development of community sporting assets, particularly where it occurs on Local Government controlled or owned land.

Financial Implications

The project is costed at \$220,203.50 with one third (\$66,728.33) to be supported by the CSRFF, one third funded by the NTC and one third committed by the Shire, pending funding approval as an outcome of the CSRFF application. The project description with itemised components is set out in Table 1 below:

Table 1 - Estimated Total Expenditure – Resurfacing of six synthetic courts

| Project Description | \$ Cost ex GST | \$ Cost inc GST | Quote Used |
|-------------------------------------|----------------|-----------------|-------------------------------------|
| Supply & install 6 synthetic courts | 195,910 | 215,501 | Sports Surfaces |
| Donated materials | 1,400 | 1,540 | Refer 'Resurfacing budget' attached |
| Volunteer labour | 2,875 | 3,163 | Refer 'Resurfacing budget' attached |
| Sub Total | 200,185 | 220,204 | |
| Cost escalation | 0 | 0 | |
| Total project expenditure | 200,185 | 220,204 | |

Table 2 - NTC's proposed construction timelines for the project.

| Task | Date |
|---|------------------------|
| Attainment of Council approvals | Achieved - 24/11/2020 |
| Preparation of tender/quotes for the major works contract | Achieved – August 2020 |
| Issuing of tender for major works | NA |
| Signing of major works contract | June 2021 |
| Site works commence | August 2021 |
| Construction of project starts | August 2021 |
| Project 50% complete | August 2021 |
| Project Completed | August 2021 |
| Project hand over and acquittal | August 2021 |

If the grant is successful, the Council will need to include funding for its one-third contribution of \$66,728.33 in the 2021/22 Budget. This amount is not currently specifically allocated in the Council's Long Term Financial Plan, however the relative low value is consistent with the current value of annual contributions to the development of Recreation and Council assets and should be able to be relatively easily identified.

Strategic Implications

| Shire of Narrogin Strategic Community Plan 2017-2027 | | |
|--|-------|---|
| Objective | 1. | Economic Objective (Support growth and progress, locally and regionally) |
| Outcome: | 1.1 | Growth in revenue opportunities |
| Strategy: | 1.1.2 | Promote Narrogin and the Region |
| Outcome: | 1.2 | Increased Tourism |
| Strategy: | 1.2.1 | Promote, develop tourism and maintain local attractions |
| Objective | 2. | Social Objective (To provide community facilities and promote social interaction) |
| Outcome: | 2.3 | Existing strong community spirit and pride is fostered, promoted and encouraged |
| Strategy: | 2.3.2 | Engage and support community groups and volunteers |

| Strategy: | 2.3.4 | Provide improved community facilities (eg library/recreation) |
| Strategy: | 1.1.2 | Promote Narrogin and the Region |

Comment/Conclusion

The NTC intends to apply for a DLGSC CSRFF and has consulted with the Manager Wheatbelt DLGSC. The CSRFF applications close at 4 pm on 31 March 2021. The application requires the Council to rank the project before submission.

The Club has met with Tennis West and they have confirmed their support for the resurfacing of the six synthetic courts. Both DLGSC and Tennis West are very supportive of the project viewing the courts as a valuable resource to the NTC and also the wider District.

The NTC's courts are used regularly by the community. Narrogin Senior High School students include tennis in their physical education program. The NTC courts are the local venue for both junior team coaching and regional teams coaching. Community members hire the courts casually. NTC member's activities included Saturday afternoon pennants, Sunday social tennis, and social tennis and competition games played on Tuesday evenings.

Resurfacing the six synthetic courts will ensure that all ten courts at the NTC are suitable and safe for playing tennis and will ensure a valuable resource to the wider community. Providing that the courts are maintained by the NTC, they will not need to be replaced for another 20 years.

Voting Requirements

Simple Majority.

OFFICERS' RECOMMENDATION

That, with respect to Narrogin Tennis Club Inc. (NTC) Community Sporting & Recreation Facilities Fund Application, Council:

1. Endorse the NTC submission to the CSRFF for the resurfacing of the six synthetic courts that run parallel to Clayton Road;
2. Give the project a priority ranking of 1;
3. Approve the project's rating as a Category A in the application as well-planned and needed by the municipality; and
4. Endorse the Shire's financial commitment of \$66,728.33 (plus GST) and include the sum in the 2021/22 Budget for the project, if the grant is successful.

See over for Council Resolution.

PROJECT DETAILS

|--|---|---|--|
| Project Title (brief and specific): Synthetic Court Resurfacing | | | |
| Project Description: <p>The Narrogin Tennis Club (NTC) intends to resurface the six synthetic courts that run parallel to Clayton Road. The current synthetic surface was laid approximately 20 years ago and has worn to a level where they are challenging to play on (raised lines) and unsafe (high sand content and slippery underfoot).</p> | | | |
| How did you establish a need for your project? <p>Consultation with users of the courts (community groups, coaches, visiting clubs and club members) identified a high level of dissatisfaction with the current surface due to the deterioration of the surface.</p> | | | |
| What alternatives were considered and why were they rejected (e.g cost, suitability, feasibility)? <p>Hard courts were considered but the courts users prefer the synthetic surface due to it being softer under foot, cooler and consistent with other clubs in the region. The consistency with other clubs in the region is particularly important for the pennant competition.</p> | | | |
| Have the full lifecycle costs of the project been considered and can you afford the ongoing costs of managing, maintaining and replacing the facility? Will a specific asset replacement fund be created? <p>Yes, the full lifecycle costs of the project have been considered. NTC has for many years maintained a 'sinking fund' for court replacement and will continue to do so.</p> | | | |

| How will your project increase physical activity? <p>The current regular users of the courts include:</p> <ul style="list-style-type: none"> Narrogin Senior High School – physical education program Keith O'Brien – junior coaching Brad Bassett – regional coaching Tennis West – Regional Tournaments Community – casual court hire Members - <ul style="list-style-type: none"> Tuesday morning social Tuesday night 'Fast 4' Wednesday night pennants Saturday afternoon pennants Sunday afternoon social <p>The poor condition of the existing surface is deterring participation and we expect that the new surface will generate a significant resurgence of activity.</p> <p>Narrogin is a regional centre and the surrounding towns and communities rely on the NTC to provide a high-quality tennis facility. The resurfacing of our synthetic courts which run parallel to Clayton Road (main thoroughfare through town) will provide a fantastic advertisement for tennis and will attract new players and increase the activity of current users.</p> | | | |

Are there any operational constraints that would impact on the construction phase of your project? (such as your sporting season, major annual event or inclement weather) – provide details. Projects that are delayed due to undeclared known constraints are not eligible for a deferral.

We do not foresee any operation constraints as the resurfacing will take place during the offseason.

GST

Grant payments are payable to the applicant/grantee only. This may have taxation implications for grantees. If grantees wish specific advice relating to their grant, this can be obtained from the Australian Taxation Office (ATO). Please note depending upon the value of the project and/or grant, the ATO may require an organisation be registered for GST. If the applicant is registered for GST, the grant is grossed up with the GST amount.

REQUIRED: If the funding approved is less than funding requested for this project, or the project is more expensive than indicated, where would the extra funds be sourced from? Is this funding confirmed? If the project scope would be reduced, which components would be revisited?

If the CSRFF approved funding is less than the 1/3rd requested, the project scope would be reduced by reducing the number of resurfaced courts from 6 to 4.

GST

Grant payments are payable to the applicant/grantee only. This may have taxation implications for grantees. If grantees wish specific advice relating to their grant, this can be obtained from the Australian Taxation Office (ATO). Please note depending upon the value of the project and/or grant, the ATO may require an organisation be registered for GST. If the applicant is registered for GST, the grant is grossed up with the GST amount.

Summary

Community Chest 2020/2021 Round 2 opened on 1 February 2021 with an amount remaining of \$43,329.17 to assist eligible groups with recovery projects and programs after the COVID-19 crisis. The Assessment criteria was amended to enable recipients from the previous two financial years to be eligible. Furthermore, the maximum amount that could be applied for was increased from \$2,500 to \$5,000.

Background

Applications for Round 2 closed on 28 February 2021 and a total of nine applications were received requesting cash totalling \$32,419.36. There is one request for in-kind support. Six applicants have requested cash in advance. A late application was received one week after the closing date in which cash in advance was requested, but no amount specified, and no income or expenditure was recorded in the project budget.

Continued over...

Below is a summary of the amounts of cash and in-kind requested by the applicants, and the amount carried over from previous rounds and the balance remaining for Round 2 in February 2021.

Council is requested to consider the applications attached and the recommendations of the Reference Group using the Assessment and Eligibility Criteria in the Guidelines below. The assessment criteria was amended to enable recipients from the previous two years to be eligible.

Assessment and Eligibility Criteria Guidelines

“What may be funded

- Professional fees and charges associated with an event or project (e.g. entertainment, adjudicators, printing, fixed equipment, skilled labour).
- Expenses associated with the production of an event or project (e.g. equipment hire, materials, advertising, venue hire).

What will not be funded

- Deficit funding or retrospective funding.
- Recurrent expenditure (i.e. salaries and operational costs).

- *Proposals where alternative sources of funding are available.*
- *Maintenance, repairs, upgrades or fittings to buildings or property which are privately owned or are the property of the State Government.*
- *Projects, programs, events or activities coordinated by religious organisations.*

Eligibility

- *Only incorporated not for profit community organisations are eligible for support through the Shire's Community Chest program.*
- *Successful Applicants from Rounds 1 or 2 in the preceding 24 months are eligible to apply.*
- *No individual application shall receive in excess of \$5,000 (cash or in kind).*
- *The Applicant group must be able to demonstrate substantial community support for the project.*
- *Evidence of the association's incorporation should be provided with the application.*
- *Projects are required to be completed within the financial year of receiving the grant.*

Assessment criteria

- *Applications should be submitted using the Application Form, with copies of quotes attached.*
- *Applications should be addressed to the above and received by the closing date.*
- *Demonstrated capacity to manage and be accountable for the funds and the project.*
- *Demonstrated cash, donated and in-kind contributions to the proposed project.*
- *Copies of quotes for materials and services to deliver the project.*
- *Membership of the organisation is primarily Shire of Narrogin residents.*
- *Aims and objectives of the organisation benefit primarily the Narrogin community.*
- *Provision of a detailed cash budget showing expenditure and income including grant amount requested.*
- *Demonstrate the extent of community involvement and the contribution in cash or in-kind by the organisation.*
- *Compliance with all acquittal requirements for any previous Shire funding received.*
- *Compliance with appropriate Local Laws, Policies, Acts, Regulations and Standards."*

Consultation

Consultation has been undertaken with:

- Chief Executive Officer
- Community Chest Applicants
- Community Chest Reference Group.

Statutory Environment

Narrogin Repertory Club will require planning approval before commencing, Narrogin Croquet Club will require approval from the Shire's Senior Environmental Health Officer at the completion of the project.

If setting up the display on Shire property, Bindoon Mobile Recovery will require relevant approval beforehand.

Policy Implications

Nil

Financial Implications

Several applicants are seeking payment in advance of project delivery/completion.

- Bindoon Mobile Recovery Campaign \$1,500
- Narrogin Croquet Club \$4,854
- Narrogin Dirt Bike Association In \$4,540.36
- Narrogin Repertory Club Inc \$5,000
- Quarter Midget Youth Speedway Project \$5,000
- Stephen Michael Foundation \$2,000.

Should the Council accept the Officer's and Reference Group's Recommendation, the balance remaining for the Community Chest Funds for the current Financial Year will be \$22,029.

Strategic Implications

A potential strategic implication has been identified with the Croquet Club's request for a further \$4,850 for a proposal to continue to upgrade their clubrooms. This is in addition to the \$12,648 provided by the Shire for a series of upgrades to the courts and clubrooms. The Administration notes that the longer term strategic direction for the Croquet Club could involve a merger with the Narrogin Bowling Club thereby utilising the existing building infrastructure and licenced venue.

| Outcome: | 2.4 | Cultural and heritage diversity is recognised |
| Strategy: | 2.4.2 | Support our Narrogin cultural and indigenous community |

Comment/Conclusion

The Administration notes that several of the applications are not supported by the Applicant organisation's cash and in-kind contributions and advises that the Assessment Criteria requires Applicants to provide detailed project budgets, supported by quotes and demonstrated cash and in-kind contribution to the project. There is however, no specific minimum percentage contribution, such as dollar for dollar.

Applications requesting cash totalling \$32,419 have been received from nine organisations for projects including:

- Accommodation and meals for volunteers and event specific merchandise for a mobile mental health campaign;
- Pre-event works undertaken to the race course and payments for officials at a regional equestrian event;
- a new vehicle hoist for a community program;
- continued kitchen upgrade for an upcoming event;
- a boundary fence for a race track;
- a community venue toilet upgrade;
- a patio roof and concrete floor;
- wages for event officials and catering; and
- an unspecified amount to cover the costs of attending a swimming competition.

1. Bindoon Mobile Recovery Campaign Inc

The Applicant is an eligible incorporated association based in Bullsbrook, and is a volunteer run, mental health campaigner targeting men. They are proposing to travel to Narrogin and surrounds to provide mental health support and raising awareness of suicide. They are seeking financial support to bring a mobile mental health campaign to Narrogin using their highly visual car and trailer.

The Applicant has requested \$1,500 cash in advance and is proposing to use the grant to pay accommodation and catering costs for volunteers, and to purchase, for resale, a quantity of merchandise which helps raise awareness of suicide, depression and mental health.

The total project is estimated to cost \$2,500 before income is deducted, the Applicant has indicated they will contribute \$1,000 in volunteer hours to mobilise and deliver the campaign and have an anticipated income of \$700 from donations and the sale of merchandise. The campaign dates they will visit Narrogin will be determined should their application be successful.

The Administration applauds the Applicant for this worthwhile program, and encourages their attendance at three, traditionally well attended, upcoming events to be held in Narrogin such as; West Coast Jet Sprint Club in September 2021; Narrogin RevHeads in November 2021; and Last Blast of Summer to be held in March 2022 where these events attract a predominantly male attendance.

The request, after income is deducted, represents an 83% contribution to the project.

The Administration recommended that this application not be supported at this time, subject to the comments in the Officer's Recommendation. This was supported by the Reference Group.

2. Dryandra Regional Equestrian Association Inc

The Dryandra Regional Equestrian Association is seeking financial assistance to meet the costs of the annual two day event to be held in June 2021. The event attracts around 200 competitors and due to COVID-19 was cancelled in 2020. The event is the group's major fundraising activity for the year.

The total project cost is estimated at \$35,000, the Applicant has indicated they will contribute \$5,000 cash and has an anticipated income of \$25,000 from sponsorship and entry fees. They are proposing to use the Community Chest funds to cover event coordination costs including work to the cross-country course and payment of event officials and judges.

The request represents a 14% contribution to the total expenses.

The Administration recommended supporting this application from the Shire's Events Matching Funding Budget as a one off COVID recovery support grant, subject to the funding conditions in the Officer's Recommendation.

The Reference Group agreed with the intent of the Officers Recommendation however disagreed with the funding source, and preferred for it to be funded from the specific COVID funding set aside or such activities as a one off support.

3. Mensheds Narrogin Inc

Mensheds submitted two successful applications in Round 1, one to purchase new fridge, and the other for \$2,800 for a 3.8t vehicle hoist. Further research suggested the hoist was unsuitable for the intended purpose. They purchased the new fridge and fully acquitted the grant, but did not take up the second approved grant, instead have sourced a more suitable machine and are seeking financial support for the purchase.

The total project cost is estimated to be \$4,925, the Applicant has requested \$4,525 cash and will contribute \$400 in in-kind support to the project.

The requested amount is not supported due to not adequately meeting the following criteria:

- Demonstrated cash, donated and in-kind contributions to the proposed project.

The request represents a 92% contribution to the project.

The Administration recommended supporting the application up to \$2,462.50, which is 50% of the total project cost, subject to the funding conditions in the Officer's Recommendation.

The Reference Group rounded the proposed grant up to \$2,500, representing 50.76% of the total project cost for ease of accounting.

4. Narrogin Croquet Club Inc

Narrogin Croquet Club are continuing with the refurbishment of the clubrooms and kitchen in the lead up to the centenary celebrations to be held in 2024. They are seeking cash in advance to upgrade the external doors and fly screens for improved security and a new stainless steel bench in the kitchen.

The total project is estimated to cost \$5,250, the Applicant has requested \$4,854 and has indicated they will contribute \$250 cash, and \$150 in-kind to the project.

In recent years, Narrogin Croquet Club have received a total of \$12,648 in cash contributions to support upgrades to the courts and clubrooms.

Community Chest 2017/2018 \$2,500 endorsed out of round request to construct a retaining wall between courts one and two

- Community Budget \$5,400 contribution to building capital;
- Community Chest 2019/2020 \$2,500 clubhouse upgrade; and
- Community Chest 2020/2021 Round 1 \$2,248 ongoing clubhouse upgrade.

Narrogin Croquet Club have met all acquittal requirements for previous grants through the Community Chest.

The request represents a 92% contribution to the project.

The Administration recommended this application not be supported, noting that there are strategic implications relating to a potential opportunity to partner with the Narrogin Bowling Club in a consolidation of functions.

The Reference Group recommended to support the application however, given the lead time associated with the potential for consolidation, and the relatively small value requested, and rounded the proposed grant up to \$2,500, representing 47.62% of the total project cost, for ease of accounting.

5. Narrogin Dirt Bike Association Inc

Narrogin Dirt Bike Association Inc are seeking \$4,450.36 financial support to cover the cost of installing a fence around a portion of the race track.

The Association recently signed a lease with the Shire for the portion of land known as Dandaloo Park where regular track racing events are held. The agreement requires the Association to provide adequate fencing, or demarcation to ensure the public of the danger accessing the track.

The total project is estimated to cost \$4,540.36, the Applicant has indicated they will not be contributing cash or in-kind to the project.

The requested amount is not supported due to not adequately meeting the following criteria:

- Demonstrated cash, donated and in-kind contributions to the proposed project.
- The request represents a 100% contribution to the project.

The Administration recommended supporting the application up to \$2,270.18, which is 50% of the project cost, subject to the funding conditions in the Officer's Recommendation.

The Reference Group rounded the proposed grant up to \$2,300, representing 50.66% of the total project cost for ease of accounting.

6. Narrogin Repertory Club Inc

The Repertory Club are seeking \$5,000 financial support to assist with the cost to upgrade the toilet facilities located at the Thornton Theatre. The upgrade is proposed to make the venue more inclusive with appropriate disability access for patrons.

The total project is estimated to cost \$12,976, the Applicant has indicated they will contribute \$7,976 cash to the project.

The Administration and Reference Group recommended supporting this application, subject to the funding conditions in the Recommendation. The request represents a 38% contribution to the project.

7. Quarter Midget Youth Speedway Project Inc.

Quarter Midget Youth Speedway Project are seeking \$5,000 Community Chest funds to assist with the cost to purchase and install a concrete pad and patio roof to the sea container. Currently the container offers no shade for racers during race and training events.

The total project cost is estimated at \$7,658.20, the group is proposing to support the project with a cash component of \$2,658.20.

The requested amount is not supported due to not adequately meeting the following criteria:

- Demonstrated cash, donated and in-kind contributions to the proposed project.
- The request represents a 65% contribution to the project.

The Administration recommended supporting this application up to \$3,829.10, which is 50% of the total project cost, subject to the funding conditions in the Officer's Recommendation.

The Reference Group rounded the proposed grant up to \$4,000, representing 52.23% of the total project cost, for ease of accounting.

8. Stephen Michael Foundation

Stephen Michael Foundation have requested cash and in-kind support of \$2,500 to assist with the delivery of the Night Hoops Regional Carnival proposed to take place on 19 April 2021 in Narrogin. The in-kind request is to waive the court hire fees at the YMCA and the Applicant intends to use the cash to pay wages for event coordination and catering.

Stephen Michael Foundation is not an incorporated association, they are a public company and registered charity.

The total project is estimated to cost \$4,500, the Applicant has indicated they will contribute \$1,000 cash and \$3,500 in-kind to the project.

It is noted there are other in-kind contributions from other organisations not accounted for.

The Administration recommended the request for cash is not supported due to not adequately meeting the following criteria:

- Recurrent expenditure (i.e. salaries and operational costs).
- Only incorporated not for profit community organisations are eligible for support through the Shire's Community Chest program.
- Evidence of the association's incorporation should be provided with the application.

The request represents a 55% contribution to the project.

However, the Administration and Reference Group recommends supporting the in-kind request to waive the venue hire fees for the event as per the Recommendation.

9. Narrogin Swimming Club Inc

Narrogin Swimming Club application was received one week after the closing date. They have requested an unspecified cash in advance contribution to enable their members to take part in a

state competition in 2022. The application is not supported with a requested amount of cash, a detailed project budget or copies of quotes for the intended expenditure.

The Applicant has indicated the grant money will be used to cover the costs of entry fees for the Narrogin members to take part in the Country Pennants to be held in Carnarvon in March 2022.

The Administration and Reference Group recommends the application is not supported due to not adequately meeting the following criteria:

- Projects are required to be completed within the financial year of receiving the grant.
- Demonstrated cash, donated and in-kind contributions to the proposed project.
- Copies of quotes for materials and services to deliver the project.
- Provision of a detailed cash budget showing expenditure and income including grant amount requested.

Voting Requirements

Simple Majority.

OFFICERS' AND REFERENCE GROUP RECOMMENDATION

That with respect to the Community Chest Grant applications, Council:

BMRC is a grass roots, volunteer run, mental health campaign using a highly visual vehicle and trailer. There is a focus on mens mental health (but is not limited to mens mental health) and removing the stigma around poor mental health as well as supporting people bereaved by suicide. The campaign travels to rural, semi-rural and suburban locations and attends community events as well as corporate workplaces. Usually only staying one or two days

How will your project / event benefit the Narrogin community?

BMRC provides a free referral and support service to members of the Narrogin community. Having lived experience of anxiety and depression combined with their ability to have a "yarn" Storn and Debbie offer support with an empathic ear and encourage positive help seeking behaviour to people living with the stigma of suicide and poor mental health.

-75% of those who suicide are male.

-People in rural populations are 2 times more likely to die by suicide.

-For each life lost to suicide, the impacts are felt by up to 135 people, including family members, work colleagues, friends and first responders at the time of death.

-suicide is attributed to 10% of all Wheatbelt deaths (58 deaths in total between 2011 and 2015) for residents under 75 years olds

-Youth suicide rates are double WA's, suicide is the second leading cause of death among 15 – 24 year olds in the Wheatbelt

Hi there,

I'm a committee member of Bindoon Mobile Recovery Campaign Inc (BMRC). I am applying for a grant from the Shire of Narrogin that will assist with our campaign which raises awareness of men's mental health. The application process requires me to obtain a quote for accommodation. Would you please advise of the cost to stay in a Deluxe Room at Albert Facey Motor Inn for two nights. Storn and Debbie are expecting to stay in Narrogin for two nights (dates TBC).

In appreciation,

2. PROJECT DETAILS

What is the name of your proposed project or event?

Dryandra CCN 2021 – two day event

Please provide a brief description of project / event (*maximum of 100 words*)

This annual event is run over two days in June. It attracts approximately 200 competitors from the Wheatbelt, Great Southern, South West and metropolitan areas. The 200 competitors bring support crew and family which means approximately 300 people come to the region. In 2020, due to COVID, the club was unable to hold the event, which is the main fundraiser for the club.

How will your project / event benefit the Narrogin community?

Competitors come from as far away as Esperance, Kalgoorlie, Bunbury, Busselton, the metropolitan area to stay at the facility in Cuballing. These people shop in Narrogin at Coles, Narrogin Fresh, fuel stations and take away food outlets. Many of the competitors and their supporters stay in local accommodation outlets and frequent local hotels for entertainment. Judges and officials are accommodated in local hotels. Our canteen is run by volunteers and purchases food and supplies from local supermarkets Coles and Narrogin Fresh. We purchase prizes and LPG gas locally from Narrogin Valley Stockfeeds. We use St Johns Narrogin for ambulance services both days of the competition.

2. PROJECT DETAILS

What is the name of your proposed project or event?

Clubroom upgrade for Centenary Celebrations 1924-2024 and annual tournaments

Please provide a brief description of project / event (*maximum of 100 words*)

The project is to (a) install new hard-core doors and fly screens to the kitchen section of clubrooms and (b) purchase a purpose-built stainless-steel work bench to sit alongside the new oven.

How will your project / event benefit the Narrogin community?

The Narrogin Croquet Club (NCC) continues to flourish with an active membership of some 40-45 individuals who play 2-3 times per week throughout the year. The Club has worked hard to introduce Narrogin residents to the sport of croquet and is now welcoming several younger members, ensuring lively participation into the future. Members actively participate in competitions held in other regional centres as well as Perth thus spreading the Narrogin "Love the Life" message far and wide. With the Club's centenary just three years away, it is anxious to provide a suitable base for what are expected to be well-attended and well-publicised celebrations. Considerable extensions and improvements have been made to the Club's facilities, substantially from members' labour, funds and private donations but also from Shire and other grants. With the return to near normal operations following disruptions caused by COVID-19, the NCC is currently holding a six week Challenge involving teams from six different local organisations and is considering the viability of holding another similar event in November; the Club's annual "Guns 'n' Roses" competition that brings some 25 top players from around the State for a weekend of croquet will be held in April; NCC is also hosting rounds of the State Pennants competition in Narrogin this year; as well as welcoming visits from local groups such as Accessibility, Probus and the Baptist Youth Group. The NCC always sources its supplies and services from local suppliers and trades persons when available in Narrogin.

Please tell us how the Community Chest funds will be used?

One vulnerable aspect of the Club's facilities has been identified, which is the entrance to the kitchen/original clubhouse. In order to protect this asset, we wish to install solid core doors to replace the inappropriate and badly deteriorated internal quality doors. This will also require the replacement of the internal fly screen doors to make the area safe for food preparation. To make the facility as functional and safe to use as possible the Club would also like to install a stainless steel workbench alongside the oven to provide an OH&S appropriate receival point for trays of hot food taken from the oven or stove top. All purchases and services will be obtained from local suppliers and trades persons (see quotes provided).

2. PROJECT DETAILS

What is the name of your proposed project or event?

Project- Making the NDBA property & track more safe and secure.

Please provide a brief description of project / event (*maximum of 100 words*)

The property where the NDBA track is located is currently half fenced, a fence runs along the front and half way up one of the sides of the property. The whole property needs to be fenced to make it more secure and safe.

The NDBA is a member of Motorcycling WA (MWA) and therefore required to have the property (track) fenced to assist in ensuring people do not enter the track unless an event is being held or are authorised. Currently unauthorised people can have easy access to the track which could result in unsafe riding and injuries. Unauthorised cars/4 wheel drives also currently have access to the track which could result in unsafe driving and injuries.

NDBA also has various items of equipment in locked buildings that would be more secure when a fence surrounds the whole property.

How will your project / event benefit the Narrogin community?

About 70% of the Narrogin Dirt Bike Associations members live in the Shire of Narrogin.

Erecting a fence around the remainder of the property will help make the facilities safer for the community from unauthorised access which could result in injuries due to riding out of MWA conditions (eg. People riding in wrong direction etc.)

Erecting a fence around the property will also help protect that area of bush as some people have used it to dispose their rubbish.

| |

Please tell us how the Community Chest funds will be used?

On 01/07/2020 NDBA obtained the local motocross track. Therefore we are a club that has started back up after 20 yrs of not having access to the local track. The track and most facilities at the track need to be repaired or upgraded.

The property where the track is located is currently half fenced, a fence runs along the front and half way up one of the sides of the property. The whole property needs to be fenced to make it more secure and safe.

NDBA would like to apply for \$4,540.36 (inc GST). This amount would be used to cover the costs of clearing the land, fencing materials and having about 624 metres of fence erected. Please see attached quote and map.

If you are requesting cash, do you require the Community Chest funds prior to your proposed event / activity?

Yes

In-kind contributions:

Please calculate and list below the value of any in-kind contributions and include in the Total Project Budget; (e.g. volunteer or donated labour.)

2. PROJECT DETAILS

What is the name of your proposed project or event?

Thornton Theatre Toilets Upgrade

Please provide a brief description of project / event (*maximum of 100 words*)

The 2 existing toilets of the Thornton Theatre will be transformed into 2 disability access toilets for patrons, including the addition of a ramp at the southern exit for ease of wheelchair access, which complies with regulations and standards.

A covering over the area between the toilets and theatre will also be installed, to ensure that patrons are protected from weather elements, such as rain, when using the facilities.

How will your project / event benefit the Narrogin community?

The Narrogin Repertory Club aims to be an inclusive community group, and these upgrades will ensure that there is appropriate disability access for its patrons and members for the toilet facilities and building exits, during productions and other events at the Thornton Theatre.

2. PROJECT DETAILS

What is the name of your proposed project or event?

Quarter Midget Youth Speedway Project to build a Sun shelter with concrete pad.

Please provide a brief description of project / event (*maximum of 100 words*)

The QMYSP wish to create a SunSmart shade for cover on race days and on training days. Typically racing during the early afternoon in summer, the young racers and their pit crew are left with little to no shade which when in fire safety gear and a race suit makes the races become dehydrated fast. With the shade we are hoping that our races will feel more at ease with racing in the warmer conditions and we can attract more youth to our project.

How will your project / event benefit the Narrogin community?

The QMYSP aims in attracting young adults to the speedway industry with measures put in place so that their families are not left out of pocket. Most of our fund are from the youth and parents fundraising as much as we can though out the year and sponsorship to help keep the cars on the track and racing. We hope that with our project more families will be willing to join knowing that in the summer heat they will be protected by shade in a fun, happy and safe environment.

2. PROJECT DETAILS

What is the name of your proposed project or event?

Night Hoops Regional Carnival

Please provide a brief description of project / event (*maximum of 100 words*)

Night Hoops is an after-hours diversionary program that provides youth aged 12-18 the opportunity to play basketball in a fun and safe environment across a 5 week period.

The Night Hoops Regional Carnival is a marquee event that will see local youth and youth from surrounding towns come to Narrogin to participate in a one-day carnival. In the lead up to the carnival there will be a five week Night Hoops program running in Narrogin and Katanning. The event will also be promoted to other communities across the region. Approximately 150 youth are expected to attend the event.

How will your project / event benefit the Narrogin community?

This will be the first time a Night Hoops Regional event has been held which makes Narrogin the inaugural host. The SMF are confident that the success of this event will lead to additional interest in similar events in the near future.

The SMF and project partners will promote the event to other towns including Collie, Northam and York and anticipate that upwards of 150 children and youth will attend the event including more than 50 youth that reside in Narrogin.

This event will provide the community of Narrogin with an opportunity to showcase the Rec Centre and welcome with pride youth from other towns. As highlighted above the event will not only provide opportunities for local youth to participate in the special carnival, but for local community members to be paid for assisting in the coordination of the event.

2. PROJECT DETAILS

What is the name of your proposed project or event?

Funding for Country Pennants in Carnarvon 2022

Please provide a brief description of project / event (*maximum of 100 words*)

Narrogin will attend Country Pennants in March 2022 at Carnarvon to compete for Narrogin. The club has to pay for our entries ourselves for this event which costs over \$800. Travel and accommodation will also be subsidised where possible to encourage swimmers to attend the meet. Country Pennants is a WA country event hosted in Country towns that have a 50m pool each year and hosts over 25 clubs and over 1000 people. (Narrogin has hosted it in the past when we had a 50m pool).
It is graded from A-E grade, Narrogin competes in C grade which is wonderful for a small club run solely on volunteers.

How will your project / event benefit the Narrogin community?

Support for the club will ensure that the club continues for the 2021/2022 season. Swimming is such an important sport. Our coaches and committee are all volunteers so we hope to also reward them to entice them to return. We need committees to be able to have a club. We also need to be financial to be able to attend big meets like this where we attend as a team in the good name of Narrogin.

Summary

Council's consideration is requested in regards to an Application for Permit of a Home Occupation (Bushfire Model Production) to be conducted at Lot 966 (No. 81) Herald Street, Narrogin.

Background

On 29 January 2021, the Shire received an Application for Permit of a Home Occupation (Bushfire Model Production) at Lot 966 (No. 81) Herald Street, Narrogin.

The applicant describes a Bushfire Model Production as a training aid for bush fire incident controllers.

The applicant provided a cover letter detailing the plan. The Home Occupation will be conducted in an outbuilding at the rear of the site. The outbuilding measures 72.6m² and the area allocated for the operation of the home occupation is 20m².

Consultation

The application was discussed with the Executive Manager Development and Regulatory Services.

Council is requested to dispense of all advertising requirements.

Advertising to adjacent properties is not necessary. The lot to the west is owned by the applicant. The lot to the north is bushland on the same lot as Narrogin Senior High School. On the east and south, the lot has Savage Street and Herald Streets as a buffer.

Advertising to the public is also not necessary considering their unique product has no rival business in Narrogin and will not result in disturbances to the community, noting the low frequency of deliveries, lack of customers on site and use of normal household tools in the production process.

Statutory Environment

Sections of the Acts, Regulations and/or Local Laws that apply to this item include:

- Former Town of Narrogin – Town Planning Scheme No. 2.

Policy Implications

Sections of policy that apply to this item include:

- Local Planning Schemes Policy Manual: D4 Home Based Business Policy.

Financial Implications

A Home Occupation (Initial Application Fee) of \$222 has been paid to the Shire of Narrogin. If approved, an annual service is provided to ensure compliance with the conditions of approval based on Council's adopted Fees and Charges, currently a Renewal Fee of \$73, which is ordinarily due in January of each year.

Comment/Conclusion

Zoning

Lot 966 (No. 81) Herald Street, Narrogin is zoned Single Residential with a density code of R12.5 under the Former Town of Narrogin Town Planning Scheme No. 2 (FTPS2). The policy statement for the zoning states:

“Primarily for single dwelling houses on separate lots. Group or multiple housing would only be permitted at the discretion of Council, following consideration of the effect of a proposed development upon the neighbourhood. Permissible non-residential use would be subject to advertising. The development standards for Group or Attached housing are intended to achieve compatible development within single residential neighbourhoods.”

The proposed Bushfire Model Production falls under the definition of Home Occupation which:

“means a business or activity carried on with the written permission of the Council within a dwelling house or the curtilage of a house by a person resident therein or within a domestic outbuilding by a person resident in the dwelling house to which it is appurtenant that:

- a) does not cause injury to or prejudicially affect the amenity of the neighbourhood including (but without limiting the generality of the foregoing) injury, or prejudicial affection due to the emission of light, noise, vibration, electrical interference, smell, fumes, smoke, vapour, steam, soot, ash, dust, grit, oil, liquid wastes or waste products or the unsightly appearance of the dwelling house or domestic outbuilding in or the land on which the business is conducted;*
- b) does not entail employment of any person not a member of the occupier's family;*

- c) does not occupy an area greater than twenty square metres;
- d) does not require the provision of any essential service main of a greater capacity than normally required in the zone in which it is located;
- e) does not display a sign exceeding 0.2 square metres in area;
- f) in the opinion of the Council it is compatible with the principal uses to which land in the zone it is located may be put and will not in the opinion of the Council generate a volume of traffic that would prejudice the amenity of the area;
- g) does not entail the presence, use or calling of a vehicle of more than two tonnes tare weight;
- h) does not entail the presence of more than one commercial vehicle and does not include provision for the fuelling or repairing of motor vehicles within the curtilage of the dwelling house or domestic outbuilding;
- i) does not entail the offering for sale or display of motor vehicles, machinery or goods (other than goods manufactured or serviced on the premises); and
- j) does not entail a source of power other than an electric motor of not more than 0.373 kilowatts (0.5hp)."

Such use is listed as an 'IP' use under the 'Single Residential' zoning which means:

"Use not permitted unless it is incidental to a predominant use as determined by Council."

The subject lot has a total area of 435m², with the Home Occupation occupying 20m² of a 72m² existing outbuilding.

Clause 3.1.4 and 3.1.5 outlines the requirements for a Home Occupation application.

"Council shall not consider an application for a Home Occupation until such time as:

The applicant has advertised as set out in Appendix VI in a newspaper, circulating in the District, his/her intention to apply to the Council for approval to establish a Home Occupation.

- a) *The applicant has lodged the application form in Appendix VI to the Council.*
- b) *The applicant has provided proof that the requisite notice has been published in a newspaper circulating in the District.*
- c) *The applicant has proof that the adjoining land owner or tenants have been notified in writing of the proposal and given an opportunity to comment.*
- d) *The applicant is the occupier of the dwelling in which the home occupation is carried on."*

3.1.5 HOME OCCUPATIONS - MATTERS TO BE CONSIDERED BY COUNCIL

The Council shall not grant approval to a Home Occupation unless it is satisfied that:

- a) *Similar types of businesses in the locality would not be adversely affected.*
- b) *The amenity of the surrounding area would not be adversely affected.*
- c) *The land is less suited for the purpose under which it is zoned in the Scheme.*
- d) *There are no other suitable premises in the locality available for the purpose intended for the Home Occupation.*
- e) *A fee equal to the minimum municipal rate for the time being paid to the Council, called the Permit Fee, and is renewable at January 1 each year.*
- f) *In granting its approval for the establishment of a Home Occupation, the Council shall require the applicant to enter into a deed of agreement as set out in Appendix VI to guarantee the performance of the occupation.*

- g) *An approval to carry on a home occupation:*
- (i) is valid only for a period of 12 months after the date of issue thereof but may be renewed upon application in writing to the Council.*
 - (ii) is not capable of being transferred or assigned to any other person and does not run with the land in respect of which it was granted.*
- h) *In granting an approval to carry out a home occupation the Council may impose any condition it thinks fit.*
- (i) If in the opinion of the Council a home occupation is causing a nuisance or annoyance to neighbours or to other persons within the neighbourhood or if any condition imposed by the Council is not complied with, the Council may revoke an approval granted by it in respect of the home occupation.”*

Moved: Cr Seale

Seconded: Wiese

That, with respect to the Application for Permit of a Home Occupation (Bushfire Model Production) at Lot 966 (No. 81) Herald Street, Narrogin, Council grant planning approval subject to the following conditions:

1. The development approved shall be in accordance with the plans and specifications submitted with the application and these shall not be altered or modified without the prior written approval of the Chief Executive Officer.
2. Any use, additions to and further intensification of any part of the development or land which is not in accordance with the original application or conditions of approval shall be subject to a further development application and consent for that use.
3. All parking associated with the activity approved shall be wholly contained on site to the satisfaction of the Chief Executive Officer.
4. The use hereby permitted shall not cause injury to or prejudicially affect the amenity of the locality by reason or appearance or the emission of noise, vibration, odour, vapour, dust, waste water, waste products or otherwise.
5. The activity must not employ any person not a member of the occupier's household.
6. No retail sale of goods to be undertaken from the premises.
7. Payment of an annual renewal and assessment fee as determined by Council from time to time.
8. No signage related to the activity shall exceed 0.2m² in area.
9. The home occupation permitted shall occupy a maximum of 20m².
10. If, in the opinion of the Council, a home occupation is causing a nuisance or annoyance to neighbours or to other persons within the neighbourhood, or if any condition imposed by the Council is not complied with, the Council may revoke an approval granted by it in respect of the home occupation.
11. A planning approval to conduct a home occupation is issued to a specific occupier of a particular parcel of land, it shall not be transferred or assigned to any other person, and shall not be transferred from the land in respect of which it was granted. Should there be a change of the occupier of the land in respect of which planning approval for a home occupation is issued the planning approval is cancelled.
12. That the applicant be required to enter into a deed of agreement consistent with clause 3.1.5(f) of the Former Town of Narrogin Town Planning Scheme No. 2.

Dear Mr Awang,

Planning Application – Home Based Business

Further to your email of the 19 January 2021, I submit this letter together with the completed application form to conduct a home-based business from 81 Herald Street Narrogin WA.

Our business is small and low-profile; I am the owner and sole trader of Blue Frog Innovations. The business involves the design and manufacture of a training aid (Bushfire Model®) for firefighters. The attached document describes the model and the benefits it delivers to firefighters.

My husband Paul designed this product to assist firefighters share their knowledge which in turn benefits new firefighters, their brigades and communities. Paul has been very conscientious in respect to any perceived conflict of interest and has the necessary approvals from the Department of Fire and Emergency Services to undertake this work.

Our primary goal has always been to assist firefighters. Future sales of the Bushfire Model® are hoped to allow us to recover the design and production costs. Depending on the level of interest there may be an opportunity to realise a modest profit.

Background:

1. Production occurs in a shed at the rear of this property, with about ²⁰45m² used (not exclusively).
2. Equipment used are a sewing machine, light grade power tools (sander, saw and drill) as well as painting using small amounts of hobby / domestic paints.
3. No employees are engaged; it is not planned to employ anyone at this property.
4. Due to the nature and scale of production minimal waste is produced.
5. Minimal noise is produced as the work is like a woodworking hobby with tools requiring the constant presence of an operator for normal use.
6. Production involving low level noise will be restricted to 8am and 5pm on Monday to Saturday inclusive.
7. We own the adjacent vacant property (Lot 965).
8. No car parks or signs are required, customers will not be visiting the property.

9. No advertising is proposed as all sales have been word of mouth with orders dispatched using local couriers.

10. Only two deliveries per year are expected as our priority is to buy local wherever possible. Due to the small nature of materials, deliveries are expected to be handled manually.

The business has been funded using our savings; subject to returning a profit we would consider moving the business to commercial premises in Narrogin.

Please let me know if more information is required.

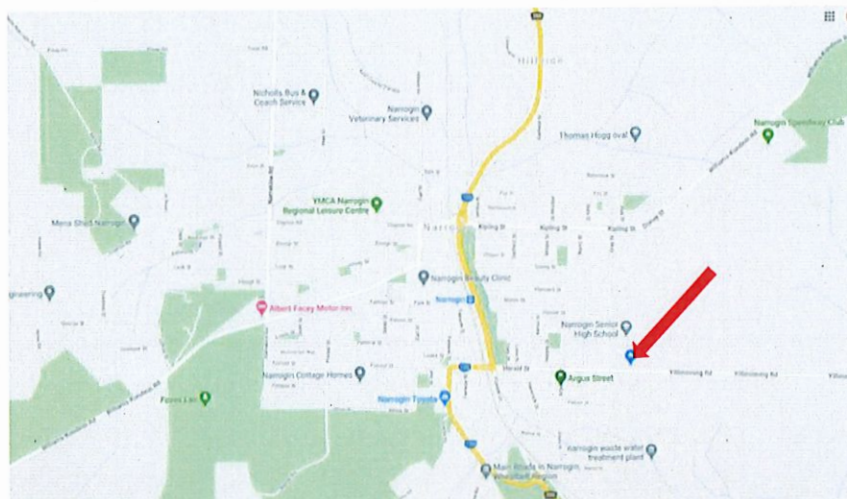

Yours sincerely

Summary

Council is requested to consider the application for Landcare Project Funding and support the recommendation made by the Community Chest Reference Group.

Background

Applications were invited during February 2021 from residents within the Shire of Narrogin, to apply for Landcare Project Funding for the purpose of purchasing native vegetation to rehabilitate degraded land within the Shire.

The Administration received one application from Ms T Alexander for the property located at the corner of Yilliminning Road and North Boundain Road, Narrogin Valley, 6312.

- Ms Alexander has requested Landcare Project funding for the amount of \$5,000.
- Approximately 20 hectares of property are proposed to be planted with native plants by August 2021. (Attachment 1)
- It is estimated that 20,000 native seedlings will be planted to rehabilitate salt effected land along the creek line.
- The total project cost is estimated at \$21,000. The applicant has indicated their cash contribution of \$13,000 with a further in-kind contribution of \$3,000.

The application was assessed using the Assessment and Eligibility Criteria below:

Assessment and Eligibility Criteria

“What will be funded

- *Purchase costs of Australian native plants i.e. trees and shrubs where the applicant demonstrates dollar for dollar purchasing of native plants up to \$5,000.*

What will not be funded

- *Deficit funding or retrospective funding, or funds paid in advance.*
- *Recurrent expenditure (i.e. salaries and operational costs).*
- *Proposals where alternative sources of funding are available.*
- *Maintenance, repairs, installation of, or upgrades to machinery, equipment, fencing or other property infrastructure or assets.*
- *Maintenance, repairs or upgrades to buildings or property which are the property of the State Government.*

Eligibility

- *Organisations and individuals are eligible to apply for funding.*
- *No individual application shall receive in excess of \$5,000 project funding.*
- *The project must demonstrate the benefit, improvement and outcomes that will be achieved for land rehabilitation or regeneration.*
- *Projects are required to be completed and acquitted by 30 September of each year.*
- *Organisations or individuals who have failed to acquit previously received Landcare Project funding within the required timeframe may be ineligible to apply.*
- *Applications should be submitted using the Application Form, with copies of quotes attached.*
- *Applications should be addressed to the above and received by the closing date.*

Assessment criteria

- *Demonstrated capacity to manage and be accountable for the funds and the project.*
- *Demonstrated cash contribution to the proposed project.*
- *Funding will be available for the supply of native vegetation ie trees or shrubs to improve salt effected, eroded and other land areas in need of rehabilitation.*
- *Funding is not available for fencing, however projects demonstrating that the applicant will be supplying and erecting fencing for new vegetation will be viewed favourably.*
- *Funding will only be available for land outside Narrogin and Highbury town sites, and within the Shire of Narrogin, with no minimum lot size.*
- *Copies of quotes for materials and services to deliver the project must be provided;*
- *Provision of a detailed cash project budget showing expenditure and income including project amount requested.*
- *Demonstrate the extent of and the contribution in cash or in-kind by the applicant.*
- *Projects that commit to matching dollar for dollar support will be viewed favourably.*
- *Applications that can demonstrate that materials will be purchased using local businesses will be viewed favourably.*
- *Compliance with all acquittal requirements for any previous Shire funding received."*

Comment

At the Community Chest Reference Group meeting held on 16 March 2021, the Reference Group made the following recommendation:

"That, with respect to the Landcare Project Fund application for Ms T Alexander, the Community Chest Reference Group recommend that Council approve the application subject to the listed conditions:

(a) The Applicant is to acquit the grant by 30 September 2021 and provide the administration with copies of paid invoices for native vegetation related to the project, and submit a tax invoice (plus GST if applicable) for the amount of the approved grant up to a maximum of \$5,000 (or 50% of the total spend) to purchase native vegetation; and

(b) Provide photographs and a brief report of the completed project; and

(c) Upon satisfying condition (a) and (b) the Shire will reimburse to the applicant the amount of the approved granted funds.”

MONTHLY SUMMARY INFORMATION

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to reporting period.
Prepared by: Manager Corporate Services
Reviewed by: Executive Manager Corporate & Community Services

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996, Regulation 34*. Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not in-consistent with the *Local Government Act 1995* and accompanying regulations), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations. Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

SIGNIFICANT ACCOUNTING POLICIES

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY INFORMATION

▲ ▼ Indicates a variance between Year to Date (YTD) Budget and YTD Actual data as per the adopted materiality threshold.

Refer to Note 2 for an explanation of the reasons for the variance.

The material variance adopted by Council for the current year is \$15,000 or 10% whichever is the greater.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 28 FEBRUARY 2021

NET CURRENT ASSETS

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

EMPLOYEE BENEFITS

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave
(Short-term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the City has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the City expects to pay and includes related on-costs.

(ii) *Annual Leave and Long Service Leave (Long-term Benefits)*

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the City does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

PROVISIONS

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

INVENTORIES

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

EXPLANATION OF MATERIAL VARIANCES

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date. The material variance adopted by Council for the current year is an Actual Variance exceeding 10% and a value greater than \$15,000.

| Reporting Program | Var. \$ | Var. % | Var. | Timing/ Permanent | Explanation of Variance |
|---|-------------|--------|------|-------------------|---|
| | \$ | % | | | |
| Revenue from operating activities | | | | | |
| Law, Order and Public Safety | 128,396 | 50% | ▲ | Permanent | Receipt of \$154k fire and emergency services grants for mitigation activity and training. Adjusted in budget review. |
| Health | 15,716 | 102% | ▲ | Timing | Variance due to timing of asset disposal. |
| Education and Welfare | 384,685 | 36% | ▲ | Permanent | Additional CHCP (\$66k) and CHSP(\$344k) recurrent grant funding. Adjusted in budget review. |
| Recreation and Culture | (30,112) | (22%) | ▼ | Permanent | Variance due to lack of contributions towards the budgeted REC and NRLC contributions & donations. Budget has been adjusted. |
| Transport | (31,431) | (13%) | ▼ | Timing | Variance due to timing of plant disposals forecast to raise at least \$33k. |
| Economic Services | 65,592 | 32% | ▲ | Permanent | \$36k recoup of unutilised Narrogin vouchers from Narrogin Chamber of Commerce; \$40k from increased revenue from caravan park. The two budgets have been adjusted. |
| Other Property and Services | 20,030 | 17% | ▲ | Timing | LGIS Insurance Rebate received earlier than expected and timing of private works income. |
| Expenditure from operating activities | | | | | |
| Governance | 161,579 | 35% | ▲ | Timing | Lower training cost following cancellation of in person WALGA state conference(\$22k). Variance also due to timing of sitting fees (\$30k); audit fees (\$25k); valuation fees(\$10k); subscriptions(\$10k); lower depreciation due to timing of capitalisations(\$28k) and sundry other (\$35k). |
| Law, Order and Public Safety | 125,914 | 22% | ▲ | Timing | Variance mainly due to timing of the fully funded Bushfire Risk Management Plans. |
| Health | 21,524 | 11% | ▲ | Timing | Variance mainly due to timing of overhead cost allocations and COVID expenditure. |
| Community Amenities | 201,533 | 19% | ▲ | Timing | Timing of activities such as Town Planning, various maintenance activities(\$35k), waste disposal bin collections (\$49k); lower waste recycling and landfill management fee (\$17k); timing of tip maintenance and training(\$18k); timing of cemetery maintenance (\$20k) and sundry other (\$60k). |
| Recreation and Culture | 563,828 | 24% | ▲ | Timing | Variance due to lower than expected NRLC utilities and contract fees(\$192k); timing of community chest donations and cancellation of Narrogin Show(\$56k); timing of parks and oval maintenance (\$133k); reduced depreciation due to recent revision to recreational asset lives (\$150k). |
| Transport | 423,148 | 17% | ▲ | Timing | Variance due to reduced depreciation associated with revision of some roading asset lives during 2019-20 year (\$235k) and timing of road and drainage maintenance, signs and traffic controls (\$255k). |
| Investing Activities | | | | | |
| Non-operating Grants, Subsidies and Contributions | (1,580,957) | (72%) | ▼ | Permanent | Variance due to non-approval of grant funding for the Fire Prevention building (\$1,000k), offset by reduction in Capex, and timing of roads to recovery funded Capex (\$433k). |
| Proceeds from Disposal of Assets | (168,305) | (78%) | ▼ | Timing | Variance due to timing of programmed plant disposals. |
| Capital Acquisitions | 3,296,665 | (61%) | ▲ | Permanent | Variance due to Fire Prevention building which will not progress as funding not approved(\$1,000k). Budget has been adjusted. Timing of capital expenditure on Roads \$347k; Plant and equipment \$767k, and other infrastructure \$471k. |
| Proceeds from New Debentures | (180,000) | (100%) | ▼ | Timing | Sewerage loan not yet obtained due to timing of associated Capital expenditure. |

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined

Summary

Council is requested to consider the proposed relocation of Jessie House from its existing site at Clayton Road near the Narrogin Regional Leisure Centre to Gnarojin Park along Hale Street, Narrogin and to advertise the proposal for public submission.

Background

The proposal was previously considered by Council at its meeting held on 24 May 2016 and 12 July 2016. Council at the meeting of the 12 July 2016 resolved as follows:

That Council:

- 1. Does not proceed with the relocation of Jessie House on Lot 1721 (Reserve 49048) Hale Street Narrogin at this time.*
- 2. Advises the working group to look for an alternative site for the relocation of Jessie House for Council's further consideration.*

Since then, a number of relevant and significant reports have been considered at Council and/or Council Briefing Sessions in progressing the potential for relocation of Jessie House. Several of the reports recently considered were:

- Review of Aged Care Services in the Town and Shire of Narrogin, by Gevers Goddard Jones of March 2017;
- Sport and Recreation Infrastructure Plan Feasibility Report, prepared by SGL, received by Council in August 2020; and
- *Jessie House Relocation Briefing Paper*, March 2021.

The Review of Aged Care Services report recommended that within the next five years there is a need for the relocation of Narrogin Regional Homecare to facilitate new services and provide a more appropriate environment. The existing facility and the restriction of the site does not provide the ability for the building to expand its services, such as respite care and other future community care services and activities.

Similarly the Sports and Recreation Infrastructures Plan Feasibility Report, recommended and supported by Council for the need to relocate Narrogin Regional Homecare (Jessie House) in time to accommodate the growth of future sporting needs.

Based on the recommendation of these reports, there is an urgent need to relocate Jessie House from its current location to allow the future expansion of services for Community care and expansion of the Narrogin Regional Leisure Centre to accommodate existing and future sporting venues.

A working group was formed to revisit the relocation and the alternative sites of Jessie House. The working group is comprised of the Executive Manager Corporate and Community Services, Executive Manager Development and Regulatory Services, Manager Community Care Service and the Building Surveyor.

The working group revisited the alternative sites which include the former golf course (portion of Lot 123) and the site on the corner of Earl Street and Park Street.

It concluded that the Hale Street site is still the preferred site based on the following benefits:

- Accessibility, suitability and serviceability of the site;
- Relocating it from a RAV 4 rated – heavy vehicle road network;
- Creating opportunity for expansion of much required recreational facilities at the Narrogin Regional Leisure Centre and Upper Great Southern Hockey Association and other sporting associations;
- Ability for required expansion of the facility, including the much needed provision of additional respite care beds to cater for the growing demand in this sector;
- Access to Gnarojin Park walkway enjoyed by the Jessie House patrons;
- Close proximity to the Gnarojin Community Gardens, allowing for clients to enjoy and participate in activities at the gardens; and
- The preferred outlook and amenity compared to Clayton Road.

Consultation

In 2016, the proposed relocation of Jessie House was advertised for public comment by way of written notification to the adjoining and affected properties along Hale Street. At the conclusion of the submission period the Shire received a total of six submissions and one petition objecting against the relocation of Jessie House to Hale Street.

As the review considers the Hale Street as the preferred site for the relocation of the Jessie House, it is recommended that public advertising be undertaken in accordance with Council Policy 1.14 Community Engagement Policy, via written notification to landowners on Hale Street, Shire Facebook posts and website, for a period of 14 days. After the closing date of the public submission period, all submissions received will be presented to Council for its consideration.

Previous consultation has taken place with the following:

- Chief Executive Officer;
- Executive Manager Corporate and Community Services;
- Manager Operations Technical and Rural Services;
- Manager Community Care Services;
- Building Surveyor; and
- Elected Members in the March 2021 briefing session.

Statutory Environment

- National Construction Code
- Former Town of Narrogin Town Planning Scheme No.2.

Policy Implications

Nil

Financial Implications

Essentially two options exist at the Hale Street site:

Option 1 - Relocate

The estimated cost for relocation inclusive of demolition, headworks chargers (water, power, sewer), earthworks, connection of services fencing, landscaping, common and dedicated car parking, moving furniture, moving the outdoor gym, additional rooms and contingencies is \$750,000.

Option 2 - New purpose built

The estimated cost for a new purpose built facility headworks chargers (water, power, sewer), earthworks, connection of services fencing, landscaping, common and dedicated car parking, moving furniture, moving the outdoor gym, additional rooms and contingencies is \$800,000.

The cost will be dependent on the Request for Tender which will be for the design and construction of a new building.

A Council workshop supported the construction of a new building facility rather than the relocation of the existing building, as a relocation will take between 8-12 weeks, meaning disruption of Homecare services for that period. A purpose-built new facility will expand the service (eg more Respite rooms) and not disrupt services.

Funding for this project could be available from the second allocation of Local Roads and Community Infrastructure Program of \$405,000, Reserve funds, loan funds and/or proceeds from the sale of the existing Jessie House transportable building.

The project funding options will be provided when this proposal is referred back to Council after the public advertising period regarding the proposed site.

Comment/Conclusion

Zoning

Lot 1721 (Reserve 49048) Hale Street, Narrogin is currently zoned 'Recreation' under the former Town of Narrogin Town Planning Scheme No. 2. The land is vested with the Shire of Narrogin for the purpose of 'Recreation and Community Purposes'.

The Department of Planning, Lands and Heritage (DPLH) has provided written confirmation that the Shire does not need to apply to the DPLH for the relocation of Jessie House onto the reserve land nor does it need to change the purpose of the Reserve, as the proposal is consistent with the reserve purposes.

The DPLH has also advised that the reserve is not subject to a native title consideration and would be beneficial if the area is to be excised from the reserve, but this would be at the discretion of the Shire, which can be undertaken at a later date.

Area

The proposal is to have a total site area of approximately 4000m² to allow the construction of the new purposed built Jessie House incorporating respite care, parking, landscaping and sufficient area for future expansion. The proposed site is within proximity to the Gnarojin Community Garden, the outdoor gym and the public carpark to the north.

The proposed site is located within close proximity to the existing water course/creek line to the west and will need to be setback at least 30m from the edge of the water courses. It is also noted that there is a natural drainage to the south of the proposed site and it is recommended not to have the site encroach this existing drain.

As this proposal is to seek public comments for the proposed site for the development of Jessie House, it is recommended that Council support the public advertising to proceed.

It should be noted that concept plan is indicative only, and detailed siting could see the facility closer to Gnarojin Community Gardens to benefit from a joint multi-use, sealed car park, which may necessitate relocating the outdoor gym. Such a proposal may see the removal of the shade structure for repurposing, and placement of the gym equipment along the shaded paths of Gnarojin Park, much like seen at other outdoor gyms in other towns and communities.

Simple Majority.

OFFICERS' RECOMMENDATION

That in respect to the proposed relocation of Jessie House to Lot 1721 (Reserve 49048) Hale Street Narrogin, Council:

1. Advertise seeking public comments for a period of fourteen (14) days, in accordance with Council Policy 1.14 Community Engagement Policy as follows:
 - a. A sign on the property;
 - b. On the Shire's website and Facebook; and
 - c. Written notification to landowners on Hale Street.
2. All submissions received after the closing date of the submission period will be presented to Council for further consideration.

COUNCIL RESOLUTION 0321.011

Moved: Cr Bartron

Seconded: Cr Ballard

That in respect to the proposed relocation of the administration and associated services of Narrogin Regional Homecare, currently located on Clayton Road, to Lot 1721 (Reserve 49048) Hale Street Narrogin, Council:

1. Advertise seeking public comments for a period of fourteen (14) days, in accordance with Council Policy 1.14 Community Engagement Policy as follows:
 - a. A sign on the property at Lot 1721 Reserve 49048 Hale Street Narrogin;
 - b. On the Shire's website and Facebook; and
 - c. Written notification to landowners on Hale Street.
2. Consider all submissions received during the public comment period referenced in paragraph 1 above.

CARRIED 9/0

Reason for Change: The Council amended the resolution to ensure public comment was received about the relocation of the *services* carried out by Narrogin Regional Homecare who currently work from premises on Clayton Road. Paragraph 1a was edited to define where the sign shall be posted and paragraph 2 was edited to provide clarity around the submission/public comment period.

Summary

Council is requested to consider the adoption of the Shire's 2020/21 Budget Review.

Background

The Budget Review was based on the Shire's 28 February 2021 actual financial balances and was completed on 11 March 2021.

The Manager Corporate Services had conducted interviews with line managers to determine if there is likely to be significant budget variances. The information gathered is shown in the attached documents.

In addition, the following Council resolutions were also considered:

Resolution Number 0920.009, part 6

"That, with respect to the Community Chest Grant application from the Highbury District Tennis Club Inc for \$4,427.50 to purchase and install a Bird's Nest Swing in the playground at Highbury Hall, the Council consider the request as part of the 2020/2021 Budget Review."

Resolution Number 1220.005, point 4

"Request the Chief Executive Officer to amend the 2020/2021 Budget to include the grant funding of \$100,000 be allocated to public art on the three Gateway Roundabouts on Pioneer Drive and Great Southern Highway, subject to the Grant being approved."

Resolution Number 1220.011, point 5

"Consider amending the 2020/21 Budget at the February or March 2021 Budget Review, to reflect the project, should the required remaining two thirds contributions be agreed, with Council's contributory funding, indicatively to be allocated from the second round of the Federal Government's Local Roads and Community Infrastructure Program."

This project will not occur, if successful, until the 2021/22 Financial Year.

Resolution Number 0221.005 (Smith Street Ablutions)

“Approve the cost of supply and installation to a maximum amount of \$100,000, including \$90,000 from the existing budget provision.”

The Budget Review includes the additional \$10,000 that Council requested.

Consultation

All Department Executive Managers and Managers have reviewed budget allocations under their responsibility. This review included an analysis of the year to date levels of expenditure and income in comparison to the original budget allocations.

Statutory Environment

Regulation 33A of the Local Government (Financial Management) Regulations 1996 - Review of budget, requires:

“(1) Between 1 January and 31 March in each financial year a local government is to carry out a review of its annual budget for that year.

(2A) The review of an annual budget for a financial year must —

consider the local government’s financial performance in the period beginning on 1 July and ending no earlier than 31 December in that financial year; and

consider the local government’s financial position as at the date of the review; and

review the outcomes for the end of that financial year that are forecast in the budget.

(2) Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.

(3) A council is to consider a review submitted to it and is to determine whether or not to adopt the review, any parts of the review or any recommendations made in the review. *Absolute majority required.*

(4) Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.”

Policy Implications

Nil

Financial Implications

The Budget materiality variance was adopted at Council’s Meeting held on 28 July 2020 (Council Resolution 0720.017). This means a variance of a percentage (equal to or greater than 10%) or a value (equal to or greater than \$15,000) for the 2020/21 financial year which must be reported. This Policy was applied in this Budget Review.

Strategic Implications

| Shire of Narrogin Strategic Community Plan 2017-2027 | | |
|--|-------|--|
| Objective | 4. | Civic Leadership Objective (Continually enhance the Shire's organisational capacity to service the needs of a growing community) |

| Strategy: | 4.1.1 | Continually improve operational efficiencies and provide effective services |
| Strategy: | 4.1.2 | Continue to enhance communication and transparency |

Comment/Conclusion

The Budget has been reviewed to continue to deliver on strategies adopted by the Council and maintains a high level of service across all programs.

When projecting figures, a conservative approach was taken to determine the likely year-end actuals e.g. overestimate expenditure and underestimate income.

The Shire of Narrogin Budget Review highlights any significant movements.

Council's forecast position at 30 June 2021, as a result of the recommended Budget variations, is again expected to be a balanced Budget, ie a zero surplus deficit. Revenues are expected to be higher due to the receipt of grants (Emergency Services and Road funding). Matching expenditure has increased mainly due to projects receiving additional funding.

Particular issues for notation and or consideration arising from the Budget Review are:

1. As a result of the Annual Audit, the Opening Balance for 2020/21 Budget was revised from \$2,697,512 to \$2,557,686, a reduction to the opening position of \$174,506. It is generally expected to see a variance between the budgeted closing position and the actual opening position due to various balance day adjustments and estimates having to be made for various accruals at the time of adopting the budget so close to the end of the previous financial year.
2. The Review proposes the adjustment to some projects:
 - 2.1. Overall actual Federal Assistance Grants reduced by \$28,259 on budgeted figures.
 - 2.2. Interest earned is lower than forecast due to the very low interest rate. Interest revenue for Reserves will be lower by \$40,000. Interest for the Municipal fund will be lower by \$18,000.
 - 2.3. Funding for Manaring Bridge of \$270,000 was not approved for 2020/21 as anticipated and has been tentatively included in the Shire's forecast approval for 2023/2024 by the Federal Government and so this project, both the income and matching expenditure, has been removed.
 - 2.4. The SES Building project comprising of two funding sources (\$1.5m grant and \$62,210 reserve) was not funded by DFES and this project has been removed and matching funding adjusted.

- 2.5. The second funding allocation (\$405,000) of the Local Roads and Community Infrastructure program (LRCIP) has not been allocated in the review pending Council's determination of projects.
- 2.6. Depreciation (treated as non cash) refers the adjustments in asset depreciation rates, and is forecast to be 16% or \$555K lower.
- 2.7. The resurfacing of Netball courts (\$68,000) and contribution to the cost (\$45,733) has been included in the Review without the use of LRCIP funds.
- 2.8. Lease income for Shop 2 39-45 Federal Street (\$5,000) has been included.
- 2.9. Some vehicle changeovers (particularly the \$1,000 changeovers at 15,000km) are not planned as this arrangement has ceased, due predominantly to unavailability of supply of vehicles relating to COVID.
- 2.10. Other major adjustments include:
 - Increase in net revenues for Homecare activities (\$327K) which have been transferred to reserve to separate them from Municipal funds.
 - Decrease in revenues from sale of TWIS water (\$38K) the adopted Budget anticipated the new billing system would commence operation in 2020/21.
 - Consequential adjustments to Reserves associated with "Closed Loop" models for TWIS and Refuse.
 - Reduction in forecast for Legal Fees and Consultants (\$7.5K) in Other Governance area.
 - Administration cost has increase to account for the use of consultants to complete the Annual financial Report.
 - The Budget for some activities eg May Street Toilets anticipated completion in 2019/20 but were completed in 2020/21 so funding is required.

3. Budget adjustments made throughout 2020/21, in accordance with previous Council resolutions, have been included in the Review.

The Review, after allowing for all these adjustments, shows an estimated forecast surplus position at 30 June 2021 of \$0.

In arriving at a nil surplus, the Administration has suggested allocating the savings from the Narrogin Dollars Campaign to the following three Council proposed, but presently unfunded, projects:

- Critical improvements to the former East Narrogin Primary School Kindergarten premises on Grey Street, electrical board and RCD upgrade, \$15,000;
- Funding the request of the Highbury District Community Council for playground improvements in Highbury, \$6,500; and
- Funding the shortfall on the Smith Street ablutions construction, \$10,000.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined

Summary

The purpose of this report is to seek the approval of Council to conduct an election under the Local Government Act 1995, section 4.11 on 16 October 2021 as a postal election of five (5) Elected Members (four Councillors and the Shire President) for the District of Narrogin (in entirety – no wards) and to appoint the Western Australian Electoral Commission (WAEC) to conduct the Election.

Background

The 2019 Election of the Shire of Narrogin was successfully conducted by the WAEC.

Consultation

The WAEC has written to the Shire of Narrogin offering to undertake the 2021 Election.

No additional consultation on the matter is deemed necessary.

Statutory Environment

The provision of the Local Government Act 1995, sections 4.20 and 4.61 relate and must be resolved at least 80 days prior to an Election.

In the absence of the Council making a determination as to the Returning Officer (RO), the Chief Executive Officer is the RO, pursuant to section 4.20(1).

Policy Implications

There are no relevant or proposed Council Policies that relation to the request.

The Council's practice, since the merger in 2016, has been to appoint the WAEC and to conduct the Election as a Postal Election.

Financial Implications

If Council chooses to have the 2021 Election facilitated by the WAEC, the cost quoted is \$25,000 inc GST. This is an increase of \$1,000 from the 2019 estimate. Note, as voting did not occur in 2019 (the number of candidates equalled the number of vacancies) the actual cost was \$7,153.

In addition, the Shire of Narrogin must also meet the associated cost of additional non-statutory advertising and provision of one staff member to work at the polling place on Election Day.

Should Council not proceed with the WAEC quotation, the staff time allocated to the process and advertising costs could be similar to the quotation provided and other projects would potentially be delayed.

Strategic Implications

| | | |
|-----------|-------|--|
| Objective | 4. | Civic Leadership Objective (Continually enhance the Shire's organisational capacity to service the needs of a growing community) |
| Outcome: | 4.1 | An efficient and effective organisation |
| Strategy: | 4.1.2 | Continue to enhance communication and transparency |

Comment/Conclusion

It is recommended that Council appoint WAEC to facilitate the Ordinary 2021 Election process, on behalf of Council by way of a postal election.

To facilitate the process, a formal request to the WAEC is required for the commitment to be confirmed prior to the election cycle commencing.

A quote has been provided from the WAEC for five (5) Elected Members, being four (4) Councillors and the Shire President for the whole of the District.

The Elected Members whose terms are expiring this year are:

- Shire President (Leigh Ballard)
- 4 x Councillors (Councillors Tim Wiese, Brian Seale, Geoff Ballard, Clive Bartron).

A copy of the quote for \$25,000 inc GST to conduct the election, as postal ballots, with an on-site count at the Shire Administration office, is attached. The quote includes all statutory advertising.

As mentioned above, should Council choose to conduct the 2021 Election as an "in-person" election, and therefore be conducted by Shire staff, this will have implications on staff time, and other projects may be delayed. It is also to Council's benefit to have the experience of the WAEC facilitating the process and to allow Council and staff to maintain the desired independence.

Voting Requirements

Absolute Majority.

OFFICERS' RECOMMENDATION AND COUNCIL RESOLUTION 0321.013

Moved: Cr Seale

Seconded: Cr Fisher

That, with respect to the conduct of the 2021 Shire of Narrogin Ordinary Local Government Election, Council:

1. Accept the quotation provided by the Western Australian Electoral Commission of \$25,000 inc GST to conduct the election for four (4) Councillors and the Shire President, and ensure this amount is provided for in the 2021/22 Budget;
2. Declare, in accordance with section 4.20(4) of the Local Government Act 1995, the Electoral Commissioner to be responsible for the conduct of the Election together with any other elections or polls which may be required; and
3. Decide, in accordance with section 4.61(2) of the Local Government Act 1995, that the method of conducting the election will be as a postal election.

Dear Mr Stewart

Local Government Ordinary Election: 2021

The next local government ordinary elections are being held on 16 October 2021. While this is still some distance in the future, I have enclosed an estimate for your next ordinary election to assist in your 2021/2022 budget preparations.

The estimated cost for the 2021 election if conducted as a postal ballot is \$25,000 inc GST, which has been based on the following assumptions:

- 3,300 electors
- response rate of approximately 40%
- 5 vacancies
- count to be conducted at the offices of the Shire of Narrogin
- appointment of a local Returning Officer
- regular Australia Post delivery service to apply for the lodgement of the election packages.

An additional amount of \$660 will be incurred if your Council decides to opt for the Australia Post Priority Service for the lodgement of election packages.

Costs not incorporated in this estimate include:

- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission in a Court of Disputed Returns
- one local government staff member to work in the polling place on election day
- any additional postage rate increase by Australia Post
- any unanticipated costs arising from public health requirements for the COVID-19 pandemic.

The Commission is required by the *Local Government Act* to conduct local government elections on a full cost recovery basis and you should note that this is an estimate only and may vary depending on a range of factors including the cost of materials or number of replies received. The basis for charges is all materials at cost and a margin on staff time only. Should a significant change in this figure become evident prior to or during the election you will be advised as early as possible.

The current procedure required by the Act is that my written agreement has to be obtained before the vote by Council is taken. To facilitate the process, you can take this letter as my agreement to be responsible for the conduct of the ordinary elections in 2021 for the Shire of Narrogin in accordance with section 4.20(4) of the *Local Government Act 1995*, together with any other elections or polls that may also be required. My agreement is subject to the proviso that the Shire of Narrogin also wishes to have the election undertaken by the Western Australian Electoral Commission as a postal election.

In order to achieve this, your council would need to pass the following two motions by absolute majority:

- Declare, in accordance with section 4.20(4) of the *Local Government Act 1995*, the Electoral Commissioner to be responsible for the conduct of the 2021 ordinary elections together with any other elections or polls which may be required
- Decide, in accordance with section 4.61(2) of the *Local Government Act 1995* that the method of conducting the election will be as a postal election.

I look forward to conducting this election for the Shire of Narrogin in anticipation of an affirmative vote by Council. If you have any further queries please contact Phil Richards Manager, Election Events on 9214 0400.

Yours sincerely

Robert Kennedy
