5. MATTERS FOR DISCUSSION / INFORMATION

5.1 COUNCIL RESOLUTIONS – FEBRUARY ORDINARY COUNCIL MEETING (OCM) HELD 19 FEBRUARY 2025

The following two resolutions of relevance to the Committee of Council's Meeting of 19 February 2025 are;

"That, with respect to the Draft Revised Ten-Year Public Art Program 2025–2035, Council:

- 1) Adopt the revised program as presented in this report, replacing the previously adopted program, and direct the Chief Executive Officer to explore alternative non-municipal funding sources - such as grants and sponsorships - to support the implementation of the program.*
- 2) Acknowledge that the estimated costs assigned to each project are indicative and aspirational, as no formal scope or design has been agreed upon. Final costs will be determined following a comprehensive project scope that includes design, labour, materials, and contractor quotes. Once this process is complete, projects will be presented to Council for further consideration and potential funding. Additionally, should grant funding become available, project timelines may be adjusted at Council's discretion to optimise funding opportunities.*
- 3) Commit to continue considering an annual municipal funding allocation of at least \$25,000 within the Annual Budget, with the intent of leveraging this contribution through grants or other external funding sources where feasible."*

and

"That with respect to the draft Shire of Narrogin Dignitaries – CBD Footpath Plaques Policy, Council adopt the Policy as presented at Attachment 1, subject to the addition of the words 'Subject to being satisfied that the nominee (or their executor or attorney or other suitable family representative) is supportive of the intended decision of the Council' at item 1, dot point 4 of the 'Selection of Honourees' section, and consider including a provisional sum of \$10,000 in the 2025/26 Budget to install priority plaques, to be determined in accordance with the Policy."

5.2 FOOTPATH PLAQUES 2025/2026 BUDGET

The TAC Chairperson would like discussion from the TAC regarding who to recognise for Dignitary Plaques to be included in the 2025/26 Budget for Council considerations. Nomination should be in line with the policy.

XX SHIRE OF NARROGIN DIGNITARIES – CBD FOOTPATH PLAQUES

Statutory context

Corporate context Policy 1.21 – Freeman of the Shire
Australia Day and Honours Advisory Committee (and Terms of Reference)

History Draft 12 February 2025

Policy Statement

The Shire of Narrogin is committed to acknowledging individuals and or groups who have made significant, positive contributions to the community. This recognition will be in the form of bronze plaques installed on footpaths within the Narrogin Central Business District (CBD). The CBD Central Business Precinct is bounded by the southern side of Clayton Road, Federal Street, Fairway Street, Park Street and Earl Street as defined in the former Town of Narrogin Town Planning Scheme No.2 and where brick paving is the predominant footpath.

This initiative aims to celebrate Pioneers, Citizens of the Year, Freeman of the Shire awardees, Indigenous leaders, volunteers and other noteworthy identities or groups who have served and positively impacted the Shire.

Objective

The objective of this policy is to establish guidelines for the selection and installation of plaques on CBD footpaths to honour dignitaries who have contributed to the Shire's history and social fabric. Through this initiative, the Shire seeks to enhance local identity and foster pride in the community.

Scope

This policy applies to:

- Individuals and/or groups from the Shire of Narrogin who have made significant positive contributions, as identified by the Council or have been put forward as a nomination for a community award.
- Selection and installation procedures for plaques to ensure consistency and appropriateness.

Procedures

1. Selection of Honourees

- Nominations: Community members, the Council's Australia Day and Honours Advisory Committee or Townscape Advisory Committee, may nominate individuals or groups at any time for confidential consideration by the Council, on confidential recommendation by the Australia Day and Honours Advisory Committee. Nominees should not be consulted or informed of their nominations.
- The Advisory Committee and the Council will deliberate on nominations in a confidential "in-camera" setting in accordance with the principles established under the Eligibility below.
- Eligibility: Nominees may include:
 - Pioneers
 - Citizens of the Year
 - Freeman awardees
 - Indigenous leaders
 - Other distinguished individuals or groups who have contributed positively to the Shire of Narrogin.
- Approval: The Council will review and resolve on recommended nominations.

2. Plaque Design and Placement

- Design Specifications:
 - Material: Bronze
 - Dimensions: 200mm (width) x 100mm (length) x 3mm (height)

- Inscription: Each plaque will display the name of the honouree, a brief description of their contribution, and the date of awarding.
- Plaques will be modelled on the inaugural plaque located on Federal Street in front of the Town Hall for reference and for consistency.
- There are approximately 120 potential locations for such plaques within the existing CBD area for reference (as at October 2024).
- Placement:
 - Primary installation sites will be within the decorative square pavers on footpaths in the Narrogin CBD.
 - Additional locations on footpaths within the CBD may be considered as needed and as approved by the Council when the square decorative pavers are full.
 - The Shire's Administration will have a dedicated section within the Shire's website for this initiative that can be viewed by all and at any time (24/7/365). The Administration will also use its social media platform Facebook for the advertising of such with direction to the website.

3. Installation and Maintenance

- Installation Schedule: At least one plaque will be installed annually (generally following announcement of the Citizen of the Year Winner), with the potential for multiple plaques in one year, subject to Budget constraints and Council approval. This would allow for dignitaries in years gone by to be recognised. The location of such plaques to recognise previous years 'approved' awardees will be at the discretion of the Shire's Chief Executive Officer, in liaison with the Shire's President.
- Maintenance: Plaques will be maintained by the Shire to ensure their longevity and readability.
- Any plaques that are remove due to maintenance works are to be replaced in the same or nearby area where practicable.
