Comment/Conclusion

The Compliance Audit Return for the 2024 calendar year has been completed and is submitted for review. Of the ninety-four (94) questions posed by the Department, there was one (1) instance of non-compliance. This relates to an officer with delegated authority to issue building permits, who fell under the requirements of section 5.74(b) of the Local Government Act 1995 (designated employee).

Under the Act, the officer was required to submit a Primary Return within three (3) months of commencing employment. However, the Administration later discovered that this had neither been requested nor submitted within the required timeframe. The oversight was subsequently rectified, with the officer providing both a Primary Return and an Annual Return. It is also noted that the officer has since left the organisation and had not exercised the delegation during their tenure.

While this constitutes a reportable non-compliance, no penalties apply to the organisation as a result.

As per the Local Government (Audit) Regulations, this item will be presented to the Audit Advisory Committee Meeting, scheduled for 19 February 2025. The Return has been recommended to Council by Officers.
